### **Purpose**

- Provide a forum for fishers, managers, processors, and others to communicate about current run conditions, including timing, abundance, and escapement during the fishing season.
- Learn about and discuss fishing conditions and management strategies.

### **Agenda**

- Subsistence Reports
- Management Update and Strategy
- Local Input, Questions, and Closing Comments

### **Protocols**

- State your name and village before speaking
- Be brief to give everyone a chance to speak
- Listen to others, be polite, and be respectful

### **Subsistence Questions**

- Are your catches up or down relative to last year?
- How far along are local fishers in their subsistence harvests? (are they 25% done? 50% done? 100%?)
- What is your assessment of run strength?
- What is the quality of the fish?
- What are the current river conditions? (Water level, clarity, amount of debris)
- Each year, please note when the first king salmon is caught in your community.
